To Whom it may concern,

I am a 5th grade student at Whitehills Elementary. Ms. Pate has been our class's student teacher for the year. I have had an excellent time learning with her, she has changed the way I look at things and really helped me get a better understanding.

Ms. Pate has made learning fun too. I am always excited to come to class while she is the teacher.

~~Throg~~ Throughout the year Ms. Pate has taught us a lot of things. One thing I think she has taught really well is social studies. I have never been very interested, or good at social social studies; but after Mrs. Pate taught it that has changed.

I loved learning with Ms. Pate and ~~that's~~ I really want her to get to be a teacher, I want for others to learn the way I did.

Sincerely,

Zosha Bean Korzecke ♡
